Sub: New portal (eCARE) for transportation of mortal remains launched – Reg.

The Ministry of Health and Family Welfare has developed an e-Clearance for Afterlife Remains (eCARE) portal (<https://ecare.mohfw.gov.in>) to expedite the process of Public Health Clearance for transporting mortal remains to India.

2. It integrates all stakeholders on a single all-in-one interface, including the consignee, Airport Health Organizations (APHOs) and airlines. This portal facilitates smooth and timely clearance of documents with automated periodic alerts and live status tracking.

3. Use of eCARE portal will help in smooth and speedy transportation of mortal remains to India. Indian nationals who wish to bring the mortal remains of their near and dear ones for final rites in India may utilize the services of the eCARE portal.
